# Amboseli National Park

After all the time you've spent planning and dreaming about going on safari, this is where it finally starts. Your guide will meet you and explain everything you need to know and answer any questions you might have. And then we'll go out on safari together.

It's possible that you'll never want to leave Amboseli National Park. It's a remarkable place that combines wonderful wildlife viewing with astonishing views, even though it's one of Kenya's smallest major parks. Look for lions and cheetahs, zebras and giraffes, spotted hyenas and wildebeest. Best of all when it comes to animals, Amboseli is known for its population of big-tusked elephants that you can often get really close to. Watching over it all is Mt Kilimanjaro (5895m), Africa's tallest mountain that towers over Amboseli's (and Kenya's) southern boundary.

Accommodation | Day 1

## **Amboseli Sopa Lodge**

Lodge | Just outside Amboseli National Park

There are lots of reasons to like Amboseli Sopa Lodge, your base for visiting Amboseli National Park. The lodge has a quiet location some distance east of the park, the restaurant and bar are good, and the rooms have plenty of color and character. Best of all are the Mt Kilimanjaro views from the swimming pool and other places around the expansive grounds.
