End Point Nairobi

Amboseli National Park

Your safari starts here, and we're as excited about getting going as you are. We're really looking forward to meeting you, introducing you to your guide, and taking you out on the first steps of your safari.

You're in for a real safari treat when you visit Amboseli. It's one of Kenya's most beautiful parks, thanks to the fact that Mt Kilimanjaro, Africa's tallest peak (5895m), dominates most views here. Amboseli is also famous for its large population of elephants with big tusks, and you have an excellent chance of seeing lions, cheetahs, hyenas, zebras, buffaloes, giraffes, wildebeests and many gazelles while you're here. With 420 bird species recorded, it's also a great place for birding.

Accommodation | Day 1

Amboseli Sopa Lodge

Lodge | Just outside Amboseli National Park

During your stay at Amboseli Sopa Lodge you're in a quiet area just off the busy road that runs towards Amboseli National Park's eastern gate. Bold safari colors dominate the rooms, and there's a well-regarded restaurant and bar. Sometimes when you're relaxing in the swimming pool, you'll come up for air and find yourself with an incredible view of Mt Kilimanjaro.

Taita Hills Wildlife Sanctuary

Experience a quiet safari in Taita Hills Wildlife Sanctuary. Not many travelers visit this private wildlife sanctuary, and the trails that range across the forested hills here are wonderful places to look for lions and elephants. There's good birding here too, so make sure you bring your binoculars.

Accommodation | Day 2

Salt Lick Safari Lodge

Lodge | Inside Taita Hills Wildlife Sanctuary

You're lucky enough to be sleeping at Sarova Salt Lick Safari Lodge, one of southern Kenya's most distinctive places to stay. The unusual circular rooms all sit on stilts in the Taita Hills Wildlife Sanctuary, and the waterhole here draws large numbers of elephants and buffalos. There's a restaurant as well, and the views from just about everywhere are superb.

Tsavo West National Park

You can expect to fall in love with Tsavo West, a massive park with so many attractions. Some of the highlights include elephants (often caked in red dust), lions (many of the males don't have manes), and possible sightings of rhino, hippo, hyena, buffalo, zebra, giraffe and even leopard. The wild landscapes include stunning escarpments, rolling hills and light woodlands. Over 400 different bird species have been found here.
