Masai Mara National Reserve

Your safari starts here, and we're so excited to be here with you. Meet your guide and ask any questions you may have. Then let's go out together and go on the safari to the Magical Maasai Mara. We will take the scenic route from Kisumu to Maasai Mara giving you a chance to enjoy the beautiful landscapes and the tea plantations of the Kenyan highlands. We will arrive at the camp in time for lunch and check in after which we will head out for an evening game drive later after relaxing.

You're in for a really special safari experience on your visit to the Masai Mara National Reserve. This is one of the best places in Kenya to look for big cats. You may see so many elephant, giraffe, Thomson's gazelle, buffalo, zebra, wildebeest and hippo that you stop noticing them after a while! And these are just the start: watch for the reserve's population of black rhino, which are present in the Mara Triangle although they can be pretty hard to spot. Beautiful savannah grasslands, acacia trees, distant escarpments and more than 500 possible bird species are other highlights you can look forward to.
